YOUNEA - AI customer service without queues

The first **EU AI Act & GDPR-compliant AI solution for telephone, chat and WhatsApp** automation. Available 24/7, without queues, in any language. No staff shortages, no long waiting times - just efficient, natural dialogues, continuous improvement through machine learning and seamless integration into existing systems. Secure, scalable, cost-saving.

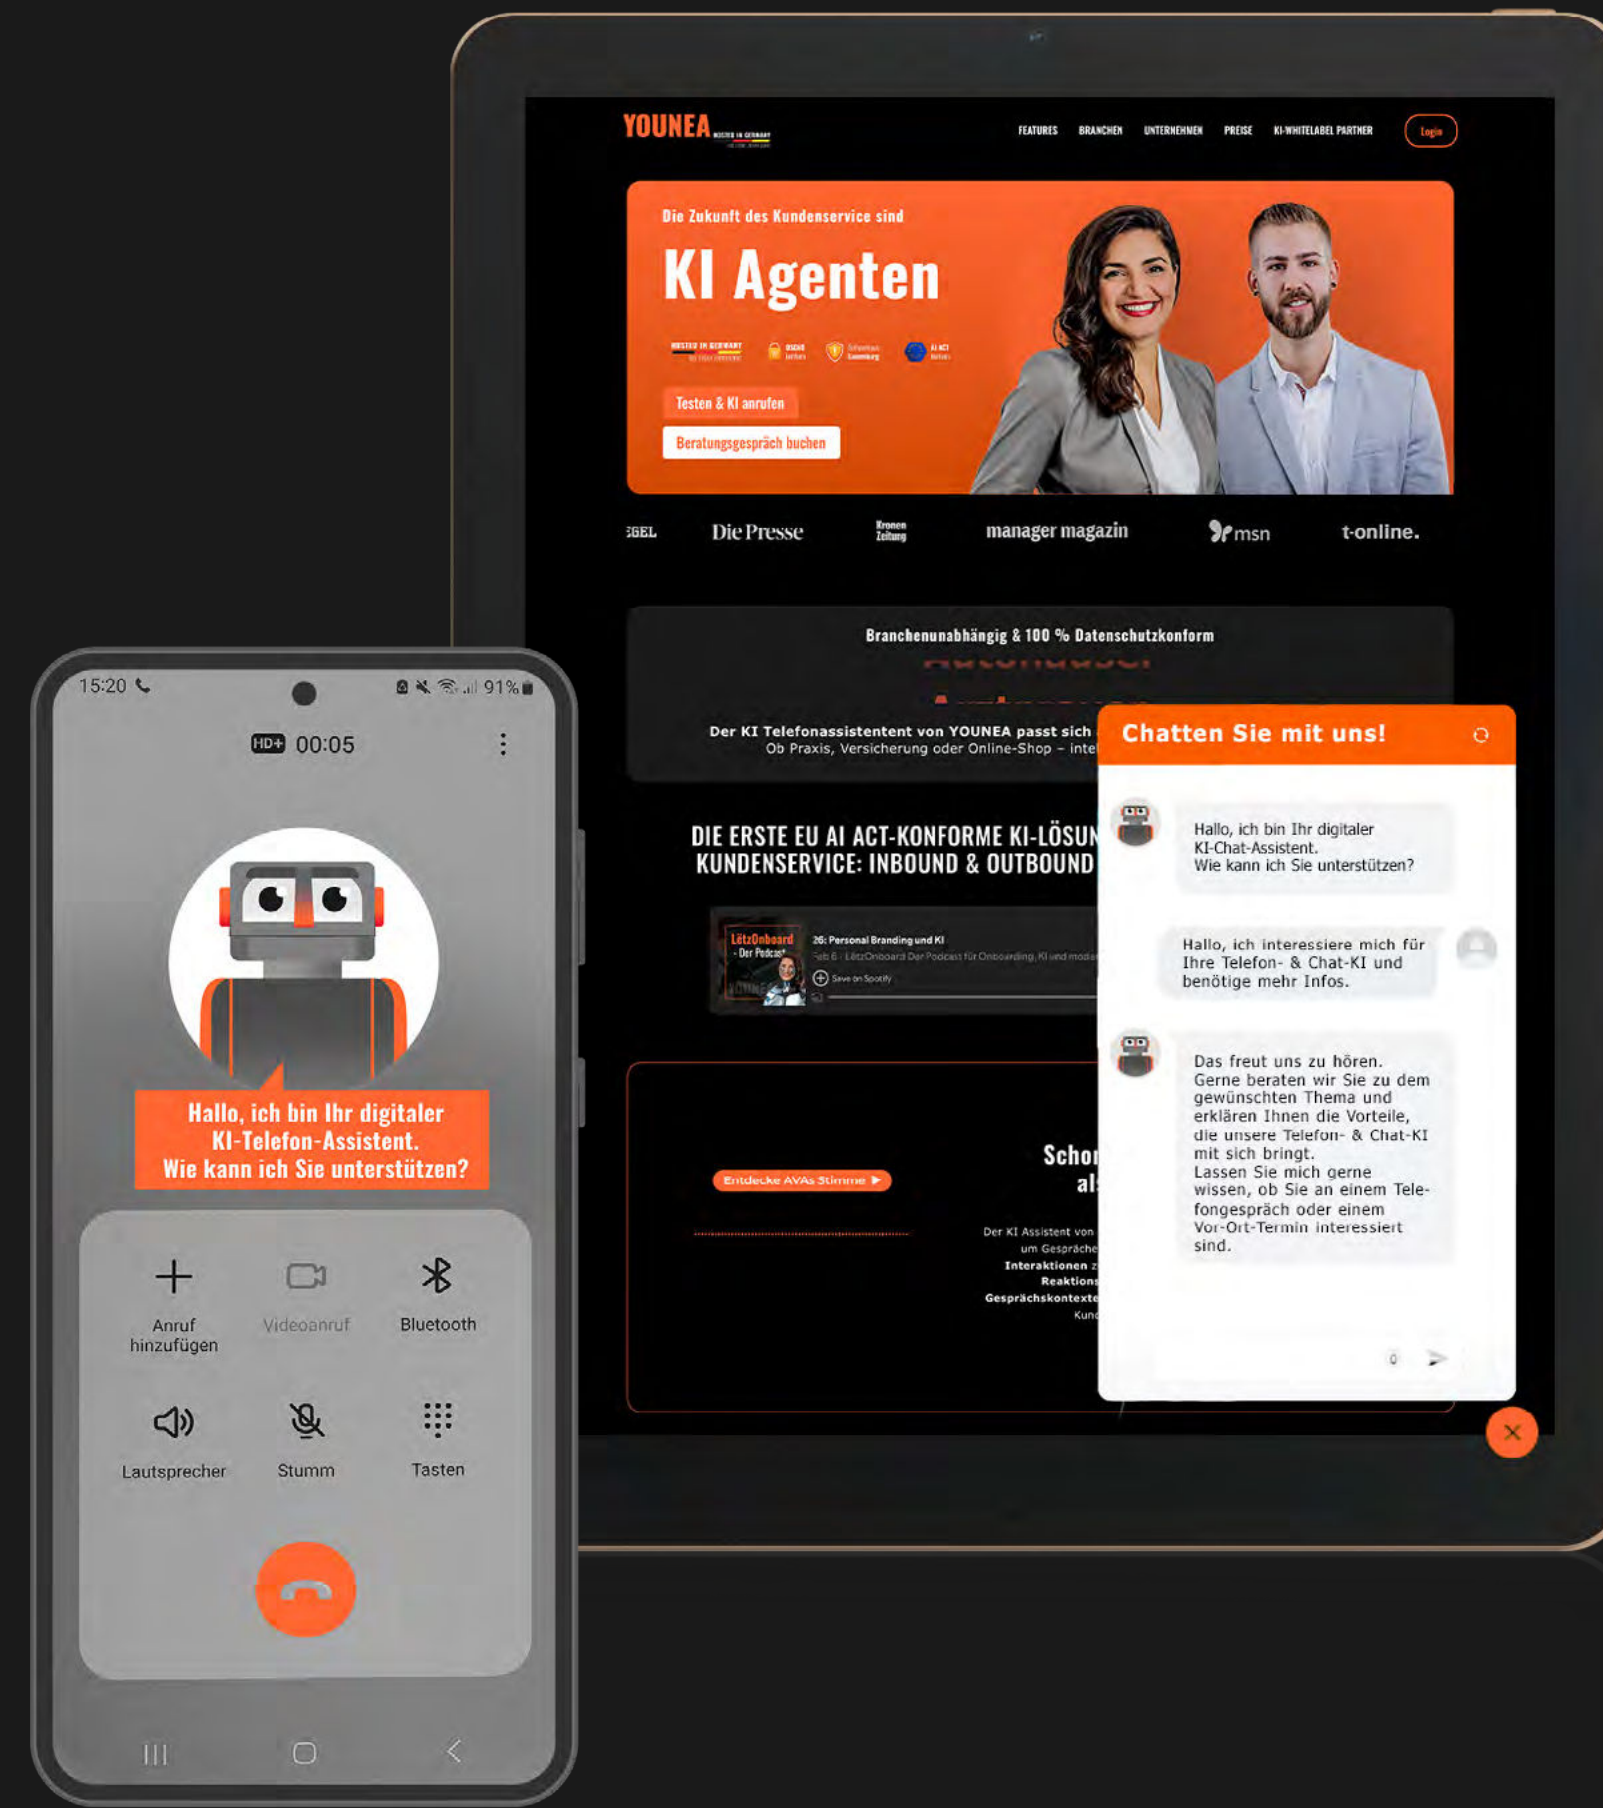

Testimonials

'I am particularly impressed by the versatility of the AI solutions: Telephone AI, WhatsApp integration and the seamless CRM connection.'

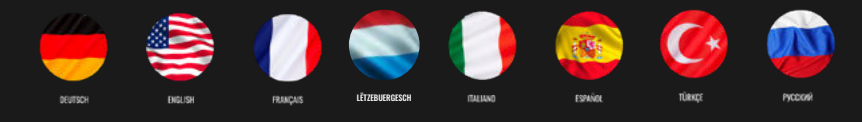

Rolf Fritsche,
Managing Director of the Cologne District Trade Union

'YOUNEA's AI has revolutionised our ordering processes. It transfers orders directly to the merchandise management system without the need for manual entry.'

Christian Müller,
Managing Director SCHRITT.MACHER
